

As the major manufactures are not willing to make a bikini top for the 69-72 K5, I am taking the time to help make a bikini top available. This bikini top will be made when ordered so it is anticipated that delivery time on each top will be approximately 30 days.

The bikini top will be offered in two different styles, a snap style and a style that works with the rail that used to be available from Specialty Top Company for their Fasttrac soft top. This rail style has a lip built into it that happens to work well with the existing windshield attachment system for the Specialty Top Company Fasttrac soft top.

**We do not sell a rail for use with the rail style bikini top and presently Specialty Top Company is out of business.** I am are offering the rail style bikini top for people who already own a Specialty Top Company Fasttrac soft top and already have the rail or those that will fabricate their own rail.

As the location of snaps may not be uniform, all bikini tops will be shipped without snaps installed. **You will need to purchase your snap installation kit locally.** Ace Hardware stores sell a General® Screw-Snap Fastening Kit (1267), Ace No. 23159.

This bikini top will be offered in a marine grade canvas material that is waterproof. The material will be available in a variety of colors. Certain premium colors will be slightly more expensive. The webbing around the edges of the bikini top will be black.

The bikini top will be approximately 61" wide and 38" long - as placement of rollbars vary be sure to measure from your windshield frame to your rollbar to insure this standard size will work for your specific K5. The bikini top is designed to extend past your rollbar a few inches. Contact Harry Funke if you require additional length to discuss custom pricing.

Although I have assisted in making these bikini tops available for the 69-72 K5, Harry Funke with Morgan Bulleigh Upholstry will be accepting orders and shipping these items. Orders on the enclosed order form need to be sent directly to Harry Funke at the following address:

**Harry Funke  
Morgan Bulleigh Upholstry  
1305 E. Central  
Wichita, KS 67214**

Money will be due when the order is placed and can be paid by major credit card or U.S. Postal money order sent to Harry Funke at the above address.

Please contact Harry Funke to obtain current prices and shipping charges.

Harry Funke can be reached by e-mail at **hfunke.mb@hotmail.com** or **Phone: 316-265-4663, Fax: 316-841-0152.**

Sincerely

Mark Scott
